

— Fit To Flatter Workshop —

— SEW TO GROW —

Build confidence and learn to make a handmade wardrobe that is Fit to Flatter. This two day workshop will walk you through how to measure, trace, alter, and complete a perfectly fitting garment from a standard sewing pattern.

## You will learn...

---

- ✂ How to measure properly and pick their correct size.
- ✂ How to trace a design and grade between sizes.
- ✂ Zipper insertion, hemming, and finishing techniques.
- ✂ Basic pattern alterations such as Full Bust Adjustments, Shortening and Lengthening, and Swayed Back Adjustments.
- ✂ Using the correct fabrics, notions, and accessories.
